Dear Patients,

I hope this letter finds you in good health. I am writing to inform you that due to personal health issues, I will be transitioning to telemedicine visits for the next few weeks until my strength returns, and my walking improves. I will monitor all the voice messages, and we will get back to you as soon as possible.

During this period, I will not be available for in-person consultations or appointments, and if you feel you need in person evaluation please go to the closest Urgent Care or Emergency Room. However, I will continue to provide medical care and support through telemedicine. You can schedule virtual appointments by contacting my office at 973-729-0016 or through our online portal at www.bridgemedicalcenters.com.

I understand that this may cause some inconvenience, and I sincerely apologize for any disruption this may cause to your healthcare routine. I appreciate your understanding and support during this time.

Thank you for your continued trust and patience. I look forward to continuing to provide you with the best possible care through telemedicine.

Sincerely,

Dr. Genoveva Coyle MD
